Registration process for UCA events:

As the 2009 season of Utah cycling begins we would like to take a few moments to explain the new onsite registration process that will be utilized when SportsBaseOnline is handling registration. **If you have purchased a Winning Time chip please ensure that you go to <http://new.sportsbaseonline.com> and enter your chip code into your Profile under the Cycling tab.**

If you are a pre-registered rider with a Winning Time chip already purchased:

1st: Go straight to the Pre-Registered table with your license to check in.

If you are a pre-registered rider who needs to rent a Winning Time chip:

1st: Go to the Chip Timing Rental table and obtain a rental chip. **YOU MUST HAVE A CREDIT CARD IN ORDER TO OBTAIN A RENTAL CHIP AND SIGN A RENTAL AGREEMENT.**

2nd: Then, go to the Pre-Registered table with your license and rental chip to check in.

If you are a rider who did not pre-register and you have a Winning Time chip already purchased:

1st: Fill out a release form at the Black Release Form table.

2nd: Then go to the Day of Race Registration table with your license and chip to complete your registration.

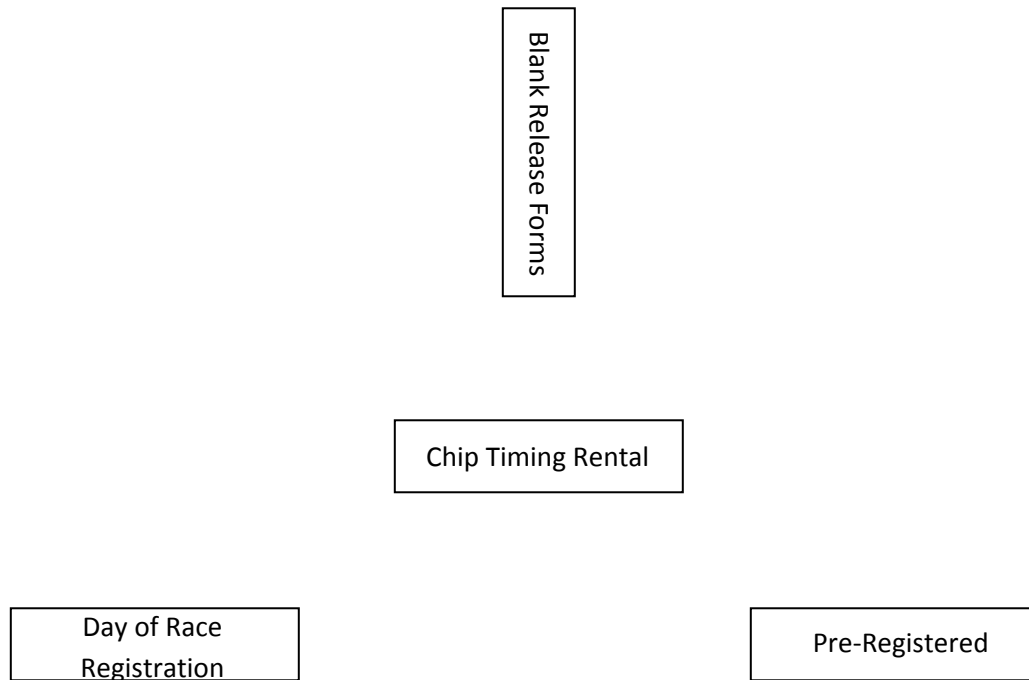

If you are a rider who did not pre-register and needs to rent a Winning Time chip:

1st: Fill out a release form at the Blank Release Form table.

2nd: Go to the Chip Timing Rental table and obtain a rental chip. **YOU MUST HAVE A CREDIT CARD IN ORDER TO OBTAIN A RENTAL CHIP AND SIGN A RENTAL AGREEMENT.**

3rd: Then go to the Day of Race Registration table with your license and rental chip to complete your registration.

Here is a diagram of how the registration tables will be set up.

We know that this process will take a little getting used to and hope that you will be willing to be patient as we all learn to adapt to this new system. We know that this will help make registration, scoring and results even better.

Thanks and look forward to seeing you at the races!
