

UCA Leader's Jersey

Congratulations!

You are the UCA Points Leader

WEAR THIS JERSEY WITH PRIDE

Please observe the following instructions:

- The leader's jersey is yours to wear as long as you are the points leader in your category. Check the most current UCA points standings at utahcycling.com if there is any question about the points.
- If you relinquish the points lead in the series, please return the jersey at the next race (if possible) so it can be worn by the new leader. Plan to return the clean jersey (see care instructions, below) to the sign-up table at the next race BEFORE the start so it can be redistributed at that time.
- If you can't attend the next race, call Jeff Clawson at 801-792-4382 to arrange to have it returned.
- These jerseys are the property of the UCA and are paid for by your membership fees. Lost or damaged jerseys will be replaced at a cost to the membership.

CARE INSTRUCTIONS:
